

Remote Learning Marking and Feedback

From Remote Learning Policy:

All schoolwork completed through remote learning must be:

- 'Turned in' on or before the deadline set by the class teacher.
- Completed to the best of the pupil's ability.
- The pupil's own work.

Teacher will:

- Acknowledge work with a positive comment
- Give feedback as appropriate.
- Return work to the pupil once marked (KS1 and 2 only)

A range of formative assessment and feedback methods will be used. This could be:

- whole class feedback
- quizzes
- individual next steps or targets

The school expects pupils and staff to maintain a good work ethic during the period of remote learning. Pupils are accountable for the completion of their own schoolwork.

Teaching staff will contact parents via the class email if their child is not completing their schoolwork or their standard of work has noticeably decreased.

Teaching staff will monitor the academic progress of pupils and discuss additional support or provision with the head teacher as soon as possible.

Teaching staff will monitor the academic progress of pupils with SEND and discuss additional support or provision with the SENCO as soon as possible.

Teachers will:

EYFS and KS1

- Acknowledge all work 'turned in' with comments linked to learning.
- Suggest next steps or extensions where appropriate.
- Add prompt questions/comments to work that is just 'turned in' with no comments, pictures or video.
- Give aural feedback in live sessions where appropriate.

KS2

- Acknowledge all work 'turned in' with comments linked to learning.
- Mark one English piece of work in depth per week.
- Mark one Maths piece of work in depth per week.
- Give aural feedback to group in live group sessions (eg VIPERS).
- Give comments of recognition and celebration in RE and Foundation subjects.
- Give whole class aural feedback in live sessions/ videos.

Remote Learning Marking and Feedback

- Add prompt questions/comments to work that is just 'turned in' with no comments, pictures or video.
- Expect children to self-mark some work, especially in Maths (answers will be provided).
