Dear Parents and Carers,

This week has been filled with exciting activities and valuable lessons at our school! In Year 3, our collective worship focused on one of the Beatitudes: "Be Considerate." We discussed how even the smallest actions can create a ripple effect, making a significant difference in our community.

Year 6 girls had a fantastic time at their recycling workshop, where they designed their own hoodies. It was a wonderful opportunity for them to engage creatively while learning about sustainability.

We would like to remind all parents about our Governors Fund contribution. Your support is vital in helping us provide the best resources and opportunities for our Children.

Today marked the launch of Curiosity Friday, and what a start it was! Children participated in a variety of activities, including computing, Lego building, sewing, arts and crafts, drama, sports, and problem-solving challenges. A heartfelt thank you to our fabulous FOSA team for their generous help in providing the necessary resources to make this day a success.

Wishing you all a wonderful weekend ahead.

Best wishes,

Mrs Odunsi - School Business Leader

The Gospel Matthew 5: 1-12

Seeing the crowds, Jesus went up the hill. There he sat down and was joined by his disciples. Then he began to speak. This is what he taught them: "How happy are the poor in spirit; theirs is the kingdom of heaven. Happy the gentle: they shall have the earth for their heritage. Happy those who mourn: they shall be comforted. Happy those who hunger and thirst for what is right: they shall be satisfied. Happy the merciful: they shall have mercy shown

them. Happy the pure in heart: they shall see God. Happy the peacemakers: they shall be called sons of God. Happy those who are persecuted in the cause of right: theirs is the kingdom of heaven. Happy are you when people mistreat you and persecute you and speak all kinds of slander against you on my account. Rejoice and be glad, for your reward will be great in heaven."
